Re: SGMA Reporting for the Antelope Valley Adjudication Area

Dear Ms. Regmi,

The Antelope Valley is an adjudicated basin subject to SGMA reporting requirements. The Final Judgment was entered on December 23, 2015 and the first annual report for calendar year 2016 was submitted to the Court and posted on the SGMA portal on August 1, 2017. Subsequent Annual Reports (2017 through 2023) have been posted on the SGMA portal by August 1 of each year since 2017 along with the requested annual data.

The 2024 Annual Report is under preparation and will be finalized August 1, 2025 in compliance with the Judgment. As in previous years, and at DWR instruction, we have selected the "*data are not available*" boxes on the SGMA portal to comply with the April 1<sup>st</sup> SGMA reporting deadline. Also, per DWR instructions, we have included this letter as an explanation that the Annual Report and associated data will be available and posted on the SGMA portal by August 1, 2025.

Please let us know if you have any questions.

Sincerely,
