SUBJECT: Support of Fillmore and Piru Basins Groundwater Sustainability Agency's Proposed
Basin Boundary Modifications relating to the Sustainable Groundwater Management Act

Dear Directors:

On behalf of the City of Fillmore, we have reviewed the Fillmore and Piru Basins Groundwater Sustainability Agency's proposed Basin Boundary Modification. The City supports and recommends the California Department of Water Resources' approval of the proposed basin boundary adjustments.

In addition, the City would like to take this opportunity to thank the Fillmore and Piru Basins Groundwater Sustainability Agency for its collaboration and inclusive approach as it relates to implementation of the Sustainable Groundwater Management Act (SGMA). The City of Fillmore remains committed to working cooperatively with its partner agencies throughout the SGMA implementation process.

Sincerely,
