INITIAL LIST OF BENEFICIAL USES AND USERS OF GROUNDWATER for the SALINAS VALLEY GROUNDWATER BASIN

In accordance with California Water Code sections 10723.2, a list of interested parties has been developed and will continue to be updated throughout the Salinas Valley Basin Groundwater Sustainability Agency's ("SVBGSA") development and implementation of a Groundwater Sustainability Plan for the Salinas Valley Groundwater Basin (with certain exclusions). This list was prepared in part based upon the collaborative working group for the formation of the SVBGSA to be the GSA for the Salinas Valley Groundwater Basin. The collaborative working group consisted of representatives from agriculture, incorporated cities, water districts, CPUC regulated water companies, domestic well owners, small public water systems, disadvantaged communities, and environmental groups. A list of the participants in that process is attached. As required by the Sustainable Groundwater Management Act (Water Code section 10720, et seq.) the County will consider all beneficial uses and groundwater users and managers within the Monterey sub-basin. These beneficial interests and parties include, but are not limited to, all of the following:

1. Local Water Districts adjoining the GSA:
 - a. Monterey Peninsula Water Management District
 - b. Pajaro Valley Water Management Agency
 - c. Adjudicated Seaside Groundwater Sub-basin Watermaster
 - d. Marina Coast Water District
2. Holders of Overlying Groundwater Rights: agricultural and domestic well owners, municipal well operators and public water systems
 - a. U.S. Army
 - b. California Water Service Company
 - c. Alisal Water Company ("Alco")
 - d. California American Water Company
 - e. Little Bear Water Company
 - f. Spreckles Water Company
 - g. Numerous public water systems and mutual water companies
 - h. Castroville Community Services District
 - i. Pajaro-Sunny Mesa Community Services District
3. Surface Water Users
 - a. Clark Colony Mutual Water Company
 - b. Numerous riparian rights holders along the Salinas, Arroyo Seco and San Antonio Rivers
4. Environmental Users of groundwater
 - a. Fort Ord National Monument
 - b. County of Monterey
5. Local Land Use Planning Agencies:
 - a. County of Monterey
 - b. Fort Ord Reuse Authority
 - c. City of Marina
 - d. City of Seaside
 - e. City of Salinas
 - f. City of Gonzales

- g. City of Soledad
 - h. City of Greenfield
 - i. City of King
6. Federal Government: There are several federal agencies which may hold or manage land overlying the groundwater sub-basins within the service area of the SVBGSA's GSA, including:
- a. U.S. Bureau of Land Management
 - b. U.S. Army Ord Military Community, Presidio of Monterey
 - c. U.S. Army National Guard Camp Roberts
 - d. U.S. National Park Service
7. California Native American Tribes:
None within the GSA.
8. Disadvantaged Communities:
- a. Castroville
 - b. Others to be determined
9. Entities listed in California Water Code Section 10927 that are monitoring and reporting groundwater elevations in all or part of the basin to be managed by the SVBGSA as the designated GSA:
- a. Monterey County Water Resources Agency

The SVBGSA is committed to an open and inclusive process to implement SGMA. Interested parties will have opportunities, both formal and informal, to provide input to the SVBGSA throughout the process of developing, operating, and implementing the GSA and GSP. Such opportunities may include, but are not limited to, public comment periods required by SGMA (e.g., Water Code section 10728.4); opportunities for public comment during regular and special meetings of the Board of Directors; participation in the Advisory Committee to the Board of Directors; and at other times to be determined and noticed pursuant to Water Code section 10727.8 (a).

The above-referenced agencies, water providers and other interested stakeholders will be contacted to determine how best to consider and protect their interests, and invited to participate in evaluating and defining roles and responsibilities during the GSP planning and implementation process.
