

- E-1. Sacramento County will consider the interests of all beneficial uses and users of groundwater, as well as GSA implementing groundwater sustainability plans. The list of interested parties include, but is not limited to, all the following:

- Holders of overlying groundwater rights, including agricultural users and domestic well owners
- Municipal well operators
- Public water systems
- Local land use planning agencies
- Environmental users
- Surface water users
- The federal government, including the military and managers of federal lands
- California Native American tribes
- Disadvantaged communities
- Entities (Section 10927) with groundwater monitoring programs

Sacramento County will revise, as necessary, the following lists of known interested parties along with their contact information:
