RE: Notice of the County of Fresno's Intent to serve as a Groundwater Sustainability Agency for a portion of the Delta-Mendota Subbasin – Management Area 'A'

Dear Mr. Nordberg,

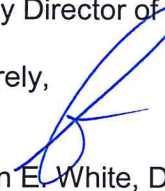

This letter serves as notification to the California Department of Water Resources that the County of Fresno (County) has elected to undertake sustainable groundwater management for a portion of the Delta-Mendota Subbasin identified on Exhibit "A" by electing to become a Groundwater Sustainability Agency (GSA) pursuant to Water Code Section 10723.8(a) and the Sustainable Groundwater Management Act.

On May 2, 2017, the County held a public hearing to consider serving as a GSA and after allowing public comment, the County Board of Supervisors approved a resolution electing to serve as shown in Exhibit "B". The public hearing was noticed in compliance with Water Code Section 10723(b) and Government Code Section 6066 as evidenced on Exhibits "C"

Pursuant to Water Code Section 10723.2, the County will consider the interest of all beneficial uses and users of groundwater, as well as those responsible for implementing a Groundwater Sustainability Plan. A list of those users is included in Exhibit "D".

Should you have any questions or need additional information, please contact Bernard Jimenez, Deputy Director of Planning, at (559) 600-4500.

Sincerely,

Steven E. White, Director
Public Works and Planning

BEFORE THE BOARD OF SUPERVISORS
OF THE COUNTY OF FRESNO
STATE OF CALIFORNIA

RESOLUTION OF INTENTION TO UNDERTAKE SUSTAINABLE GROUNDWATER
MANAGEMENT AND TO SERVE AS THE EXCLUSIVE GROUNDWATER SUSTAINABILITY
AGENCY FOR PORTIONS OF THE DELTA-MENDOTA GROUNDWATER SUBBASIN
(MANAGEMENT AREA A)

WHEREAS, the Sustainable Groundwater Management Act of 2014 ("SGMA"), signed into law on September 16, 2014, requires that each California groundwater basin or subbasin be managed by a Groundwater Sustainability Agency ("GSA"), or multiple GSAs, and that such management be implemented pursuant to an approved Groundwater Sustainability Plan ("GSP") or multiple GSPs; and

WHEREAS, the County of Fresno ("County") is a local agency as defined in California Water Code section 10721, subdivision (n); and

WHEREAS, the County desires to declare its intention to undertake sustainable groundwater management and to serve as GSA in those portions of the Delta-Mendota Subbasin that are identified in exhibit A to this resolution, to be designated "Management Area A of the Delta-Mendota Subbasin" ("Management Area A"); and

WHEREAS, Water Code section 10723, subdivision (a), authorizes a local agency under Water Code section 10721, subdivision (n), with water supply, water management, or land use responsibilities, overlying a groundwater basin to elect to become a GSA; and

WHEREAS, Water Code section 10723, subdivision (b), provides that, before deciding to become a GSA, a local agency must publish notice pursuant to Government Code section 6066 and hold a public hearing in the county overlying the groundwater basin where the agency intends to undertake sustainable groundwater management; and

WHEREAS, Water Code Section 10723.2 requires that a GSA consider the interests of all beneficial uses and users of groundwater, as well as those responsible for implementing GSPs; and

1 WHEREAS, on April 12, 2017, and April 19, 2017, the County published notice of a
2 public hearing pursuant to Government Code section 6066; and

3 WHEREAS, the County held a public hearing on May 2, 2017, to consider the adoption
4 of this Resolution and its decision to become a GSA for Management Area A; and

5 WHEREAS, after considering the issue and allowing for public testimony, the Board of
6 Supervisors determined it to be in the best interest of the County to decide to become a GSA for
7 Management Area A.

8 NOW, THEREFORE IT IS ORDERED as follows:

9 1. The County hereby elects to be the exclusive GSA for Management Area A.

10 2. The Director of the Department of Public Works and Planning (Director) is
11 directed to submit within 30 days of this resolution a notice of intent to the California Department
12 of Water Resources, pursuant to California Water Code section 10723.8, subdivision (a).

13 3. The Director shall create and maintain a list of persons interested in receiving
14 notices regarding GSP preparation, meeting announcements, and the availability of draft
15 plans, maps, and other relevant documents, pursuant to Water Code section 10723.4. Any
16 person may request, in writing, to be placed on the list of interested persons.

17 THE FOREGOING was passed and adopted by the following vote of the Board of
18 Supervisors of the County of Fresno this 2nd day of May 2017, to wit:

19 AYES: Supervisors Borgeas, Magsig, Mendes, Pacheco, Quintero

EXHIBIT “D”

LIST OF INTERESTED PARTIES (PURSUANT TO SECTION 10723.2)

California Water Code section 10723.8 requires that a Groundwater Sustainability Agency notification include a list of interested parties developed pursuant to Section 10723.2 and an explanation of how their interests will be considered in the development and operation of the groundwater sustainability agency and the development and implementation of the agency’s sustainability plan.

Section 10732.2 requires that the groundwater sustainability agency consider the interests of all beneficial uses and users of groundwater, as well as those responsible for implementing groundwater sustainability plans. A listing of these interests is provided below.

a) Holders of overlying groundwater rights, including:

- 1.) **Agricultural users** – Fresno County – Management Area ‘A’ GSA consists of lands owned by Meyers Farming LLC in association with a water banking storage and recovery facility. Banking operations are utilized for agricultural use. The County will consider the interests of agricultural users when developing a Groundwater Sustainability Plan (GSP).
- 2.) **Domestic Well Users** – The County is not aware of and Domestic Well Users within the boundary of the GSA.

b) Municipal well operators

There are no municipal well operators within the boundaries of the GSA.

c) Public water systems

There are no public water systems within the boundaries of the GSA.

d) Local land use planning agencies

The County of Fresno is the overlying land use planning agency within the boundaries of the GSA and has elected to undertake groundwater management for unmanaged areas of the Delta-Mendota Subbasin.

e) Environmental Users of Groundwater

The State of California owns land in proximity to the GSA boundary. The lands are managed by the California Department of Fish and Wildlife (“CDFW”)

The County will consult with CDFW on any groundwater management efforts that may have an impact on environmental uses.

f) Surface water users, if there is a hydrologic connection between surface and groundwater bodies

If there is a hydrologic connection between surface and groundwater bodies it is unknown at this time. During preparation of a GSP the county will consider and evaluate if such users do exist within the GSA.

g) Federal Government

The County is not aware of any federal government lands within the GSA area. There are no military facilities in the vicinity of the GSA area.

h) California Native American Tribes

At this time, the County is not aware of any Native American Tribal interests in the GSA area. The County will continue to investigate any possible Native American Tribal interests and will coordinate its activities with any identified interests.

i) Disadvantaged Communities

There are no disadvantaged communities within the boundaries of the GSA.

j) Entities listed in Water Code section 10927 that are monitoring and reporting groundwater elevations in all or a part of a groundwater basin to be managed by the GSA.

The County is unaware of any entities listed in Water Code section 10927 that are monitoring and reporting groundwater elevations within the GSA. The San Joaquin River Exchange Contractors Water Authority and the San Luis and Delta-Mendota Water Authority are entities that are monitoring and reporting groundwater elevations within the subbasin in proximity to the GSA.
