

**West Placer
Groundwater Sustainability Agency**

**Member agencies: Placer County, Placer County Water Agency, Nevada Irrigation District,
City of Lincoln and City of Roseville**

List of Interested Parties

Pursuant to Water Code Section 10723.2: a Groundwater Sustainability Agency (GSA) shall consider the interests of all beneficial uses and users of groundwater, as well as those responsible for implementing groundwater sustainability plans (GSPs). The list of interested parties presented below was developed during the current West Placer GSA formation process. All of the agencies identified below have already been contacted by the West Placer GSA or their member agencies to coordinate the GSA planning process. This list will continue to be amended as necessary during the Groundwater Sustainability Plan (GSP) development process. The Member Agencies will solicit feedback and participate in discussions with interested parties during GSP development. These interests include, but are not limited to the following:

Holders of overlying groundwater rights, including: Agriculture users & Domestic Well Users: *The member agencies performed a facilitated outreach (with support from DWR facilitation services) to understand the local agricultural community and domestic well users. In addition they have held numerous public outreach meetings throughout the boundary of the West Placer GSA including the Placer County Agricultural Commission and the Placer County Resource Conservation District.*

Municipal Well Operators: *Outreach to West Placer GSA member agencies Placer County, Placer County Water Agency, City of Lincoln and City of Roseville are the only current operators within the proposed GSA.*

Public Water Systems: *Outreach to West Placer GSA member agencies Placer County, Placer County Water Agency, Nevada Irrigation District, City of Lincoln and City of Roseville. Other agencies within the GSA contacted are the California American Water Company, San Juan Water District, Citrus Heights Water District, and Reclamation District 1001.*

Local Land Use Planning Agencies: *Outreach to West Placer GSA member agencies Placer County, City of Lincoln and City of Roseville. Other agencies within the GSA contacted are the City of Rocklin.*

Environmental Users of Groundwater: *Outreach to the Placer County Conservation Plan (a habitat conservation plan) and the Placer Land Trust has been performed.*

Surface water users, if there is a hydrologic connection between surface and groundwater bodies: *Outreach to West Placer GSA member agencies Placer County, Placer County Water Agency, Nevada Irrigation District, City of Lincoln and City of Roseville. Other agencies within the GSA contacted are the California American Water Company, San Juan Water District, Citrus Heights Water District, and Reclamation District 1001.*

The federal government, including, but not limited to, the military and managers of federal lands: *Outreach to the US Army Corps of Engineers (responsible for federal permitting) and Beale AFB Communications group (a small landowner with a well) has been performed.*

California Native American Tribes: *Outreach to the United Auburn Indian Community has been performed.*

Disadvantaged Communities, including but not limited to, those served by private domestic wells or small community water systems: *Currently none of these exist within the GSA except those who may be serviced by previously listed agencies in other categories.*

Entities listed in Water Code section 10927 that are monitoring and reporting groundwater elevations in all or a part of a groundwater basin managed by the GSA: *Other than DWR, the member agencies, and previously listed agencies in other categories none of these exist.*
