Notice of Public Hearing

COPY:

NOTICE OF PUBLIC HEARING

Pursuant to Water Code section 10723(b) and Government Code section 6066, notice is hereby given that Colusa County, City of Colusa, City of Williams, Maxwell Irrigation District, Westside Water District, Princeton-Codora-Glenn Irrigation District, Provident Irrigation District, Colusa County Water District, Reclamation District 108, Reclamation District 479, and Colusa Drain Mutual Water Company will hold separate public hearings to: **(This notice is for Colusa County only and the public hearing dates published on May 17, 2017 and May 24, 2014 for the other listed agencies are as previously noticed.)**

Consider the adoption of a resolution approving the Joint Exercise of Powers Agreement Establishing the Colusa Groundwater Authority, which among other things will: (1) form the Colusa Groundwater Authority; (2) elect the Colusa Groundwater Authority to serve as the groundwater sustainability agency under the Sustainable Groundwater Management Act (Water Code §§ 10720, et seq.) for the (a) Colusa County areas of the Colusa Subbasin of the Sacramento Valley Groundwater Basin, and (b) West Butte Subbasin of the Sacramento Valley Groundwater Basin; and (3) authorize the Colusa Groundwater Authority to make any and all necessary filings to formally confirm that it becomes the groundwater sustainability agency for the previously identified areas.

All interested persons are invited to attend the public hearings to provide comments, written or oral. Written comments may also be submitted prior to the public hearings to the mailing and/or email addresses provided below. The proposed Joint Exercise of Powers Agreement Establishing the Colusa Groundwater Authority is available for public review on the Colusa County Water Resources website at: <http://countyofcolusa.org/index.aspx?nid=656>.

Colusa County (Notice of Hearing Date Change)

* The Colusa County Board of Supervisors will hold a public hearing on **June 13, 2017** at 9:30 a.m. in the Board of Supervisors Chambers, 546 Jay Street, Suite 108, Colusa, CA 95932, to consider the matters described above.

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

CONFIDENTIAL

1. The first step in the process of the investigation is the identification of the problem. This is done by the investigator who is responsible for the investigation. The investigator must identify the problem and the scope of the investigation. The investigator must also identify the objectives of the investigation and the methods to be used. The investigator must also identify the resources available for the investigation. The investigator must also identify the risks associated with the investigation. The investigator must also identify the stakeholders involved in the investigation. The investigator must also identify the timeline for the investigation. The investigator must also identify the budget for the investigation. The investigator must also identify the personnel involved in the investigation. The investigator must also identify the equipment and materials needed for the investigation. The investigator must also identify the data to be collected. The investigator must also identify the analysis to be performed. The investigator must also identify the conclusions to be drawn. The investigator must also identify the recommendations to be made. The investigator must also identify the follow-up actions to be taken. The investigator must also identify the reporting requirements. The investigator must also identify the communication plan. The investigator must also identify the documentation requirements. The investigator must also identify the ethical considerations. The investigator must also identify the legal considerations. The investigator must also identify the safety considerations. The investigator must also identify the environmental considerations. The investigator must also identify the social considerations. The investigator must also identify the cultural considerations. The investigator must also identify the political considerations. The investigator must also identify the economic considerations. The investigator must also identify the technological considerations. The investigator must also identify the scientific considerations. The investigator must also identify the philosophical considerations. The investigator must also identify the religious considerations. The investigator must also identify the moral considerations. The investigator must also identify the legal considerations. The investigator must also identify the safety considerations. The investigator must also identify the environmental considerations. The investigator must also identify the social considerations. The investigator must also identify the cultural considerations. The investigator must also identify the political considerations. The investigator must also identify the economic considerations. The investigator must also identify the technological considerations. The investigator must also identify the scientific considerations. The investigator must also identify the philosophical considerations. The investigator must also identify the religious considerations. The investigator must also identify the moral considerations.
