

SAN LUIS OBISPO CITY COUNCIL

NOTICE OF PUBLIC HEARING

The San Luis Obispo City Council invites all interested persons to attend a public hearing on **Tuesday May 16, 2017, at 6:00pm** in the **City Hall Council Chambers, 990 Palm Street, San Luis Obispo, California**, relative to the following:

FOR ADDITIONAL INFORMATION, PLEASE CONTACT CITY UTILITIES DIRECTOR: Carrie Mattingly at (805) 781-7215 or at: cmatting@slocity.org

PLEASE ACCEPT THIS AS A NOTICE TO INFORM YOU, as a property owner, tenant or interested citizen, that the City Council of the City of San Luis Obispo, California, will conduct a public hearing, as part of a scheduled City Council meeting, on the following project:

Notice is hereby given that the City Council of the City of San Luis Obispo will consider authorizing the City to become a Groundwater Sustainability Agency (GSA) over that portion of the San Luis Obispo Valley Groundwater Basin that lies under the City limits of the City of San Luis Obispo, per California Water Code Sections 10723 to 10727. In 2014, the California Legislature and the Governor passed into law the Sustainable Groundwater Management Act (SGMA), which provides a new framework for best management of resources in California. Implementation of SGMA is achieved through formation of GSAs and through preparation and implementation of Groundwater Sustainability Plans (GSPs). The City has a groundwater basin that is governed by SGMA legislation, within the San Luis Obispo Valley Groundwater Basin. This groundwater basin is designated by the state as a medium priority basin and must comply with SGMA requirements.

Once the GSA is formed, the City will then be required to develop and implement a GSP that provides a roadmap for managing the basin on a sustainable basis. The City believes it is essential for the City to be a GSA. SGMA provides GSAs with access to various powers and authorities to ensure sustainable management. Becoming a GSA will confirm the City's role as the local groundwater management agency, ensure access to SGMA authorities, and preserve access to grant funding or other opportunities that may be limited to GSAs.

The City Council may also discuss other hearings or business items before or after the item listed above. If you challenge the proposed project in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the City Council at, or prior to, the public hearing.

Reports for this meeting will be available for review in the City Clerk's Office and online at www.slocity.org on Wednesday, May 10, 2017. Please call the City Clerk's Office at (805) 781-7100 for more information. The City Council meeting will be televised live on Charter Cable Channel 20 and live streaming on www.slocity.org.
