Re: Rescinding GSA Notification for Reclamation District No. 108

Mr. Nordberg:

Reclamation District No. 108 has decided to participate in Joint Powers Agreements with both the Yolo County GSA and Colusa County GSA. As a result, the District hereby rescinds our notification declaring our intent to become a Groundwater Sustainability Agency within the Yolo Subbasin (previously known as the Colusa Subbasin in the Bulletin 118 Update 2003 Groundwater Basins) and also the Colusa Subbasin, originally submitted on October 15, 2015.

Documentation declaring the intent of local agencies to form a groundwater sustainability agency for the Yolo Subbasin and also the Colusa County portion of the Colusa Subbasin will accompany this letter. Please contact William Vanderwaal with any questions: (530) 437-2221.

Sincerely,

Lewis Bair
