LEGAL NOTICE

NOTICE OF PUBLIC HEARINGS

Pursuant to Water Code section 10723(b) and Government Code section 6066, notice is hereby given that the County of Glenn will hold public hearings on **June 27, 2017** at the Glenn County Board of Supervisors' Chambers, 525 West Sycamore Street, Willows, CA 95988, to consider actions relating to the management of the groundwater subbasins mentioned below in compliance with the Sustainable Groundwater Management Act of 2014 (SGMA) (details on the times are set forth below). In September 2014, the California legislature enacted SGMA to require sustainable groundwater management statewide. Implementation of SGMA is achieved through the formation of Groundwater Sustainability Agencies (GSAs) and the preparation and implementation of Groundwater Sustainability Plans (GSPs).

The County Glenn will hold a public hearing at **9:00 AM**, or as soon thereafter as may be heard, to:

Consider the adoption of a resolution approving the Memorandum of Agreement Establishing the Corning Sub-basin Groundwater Sustainability Agency, which among other things will: (1) form the Corning Sub-basin Groundwater Sustainability Agency; (2) elect the Corning Sub-basin Groundwater Sustainability Agency to serve as the groundwater sustainability agency under the Sustainable Groundwater Management Act (Water Code §§ 10720, et seq.) for the Glenn County areas of the Corning Sub-basin of the Sacramento Valley Groundwater Basin; and (3) authorize the Corning Sub-basin Groundwater Sustainability Agency to make any and all necessary filings to formally confirm that it becomes the groundwater sustainability agency for the previously identified areas;

And the County Glenn will hold a public hearing at **9:30 AM**, or as soon thereafter as may be heard, to:

Consider the adoption of a resolution to modify the notice of election to become a Groundwater Sustainability Agency submitted to the California Department of Water Resources posted July 9, 2015 that will: (1) limit the boundaries of the Glenn County Groundwater Sustainability Agency within the West Butte Subbasin of the Sacramento Valley Groundwater Basin to the areas not being managed by another eligible local agency; (2) agree to work cooperatively on a single Groundwater Sustainability Plan or coordinated Groundwater Sustainability Plans for the West Butte Subbasin; and (3) authorize the County to make any and all necessary filings to formally confirm that it becomes the groundwater sustainability agency for the previously identified areas.

The Board of Supervisors may also discuss other hearings or business items before or after the items listed above. If you challenge the proposed action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing. Comments may be either, (1) mailed or delivered in person to the Glenn County Board of Supervisors at 525 W. Sycamore St., Suite B1, Willows, CA 95988 or (2) provided in person at the Public Hearing. Failure of any person to receive the notice shall not constitute grounds for any court to invalidate the action of the legislative body for which the notice was given. Information regarding the proposed resolutions is on file at the Board of Supervisors' Office at 525 W. Sycamore St., Suite B1, Willows, CA 95988.
