Article 6. Agency Governing Board

- 6.1 Membership of Governing Board. The Agency shall be governed by a Governing Board consisting of one (1) Board Member representing each Member and appointed by a majority vote of that Member's governing body. A Board Member may represent more than one Member and shall have a vote and be counted for quorum for each of those represented Members.
- 6.2 Requirements. Board Members serve for a two-year term, or until removed or replaced by the governing body of the Member agency that they represent (see Section 6.4). Each Board Member shall certify to the Secretary of the Governing Board in writing that he or she has been appointed to be a Board Member by the Member and that he or she meets the qualifications established by this section, 6.2.

to the Governing Board on the various activities of the Agency. An internal committee may be tasked by the Governing Board with administering or implementing the various activities of the Agency, but does not have the authority to legally bind the Agency. The Agency expressly reserves to its Governing Board the right to review and approve expenditures in excess of five thousand dollars (\$5,000) the decision to initiate any enforcement action under Groundwater Sustainability Plans developed or implemented by the Agency.

The Governing Board may establish one or more advisory committees comprised of diverse social, cultural, and economic elements of the population and area stakeholders within the service area of the NDGSA. The Governing Board shall encourage the active involvement of the advisory committee(s) prior to and during the development and implementation of the GSP. The Governing Board will ensure that at least one (1) member from the Governing Board or Agency employee attends and participates in each advisory committee meeting.

Article 14. Membership

- 14.1 Members. The signatories to this Agreement, as it may be amended from time to time, are the members of the joint powers authority. Associate Members may be added to the Governing Board subject to the provisions of Article 7, but are not signatories to the Agreement.
- 14.2 New Members. Additional Parties may join this Agreement and become a Member provided that the prospective new member, (a) is eligible to participate in or serve as a Groundwater Sustainability Agency as provided by SGMA, (b) possesses powers common to all other Members, (c) receives an affirmative vote from a majority of Board Members, (d) pays all previously incurred costs that the Governing Board determines have resulted in benefit to their agency, (e) pays all applicable fees and charges, and (f) agrees in writing to the terms and conditions of this Agreement.

Article 15. Specific Projects

- 15.1 Projects. The Agency intends to carry out activities in furtherance of its purposes and consistent with the powers established by the Agreement with the participation of its Members. The Members expect that these activities will include, but are not limited to (1) the development and implementation of one or more GSPs; (2) the implementation of groundwater related projects to benefit some or all Members of the Agency; (3) the development of funding mechanisms to further the purposes of the Agency; and (4) the exercise of the Agency's enforcement powers under one or more GSPs.
- 15.2 Separate GSPs: The Members specifically acknowledge that the Agency will participate in the development of a minimum of one GSP in each of the basins included in the Agency's service area. Members shall have the exclusive right to review, approve, and take implementing action under the GSP or GSPs that will govern that Member's service area. Members shall have no obligation to fund activities or GSPs that occur outside of the groundwater basin in which that Member's service area is located. So, for example, a Member whose service area is situated entirely within the Solano Subbasin shall have no obligation to fund activities or participate in the development of a GSP in the Eastern San Joaquin Subbasin.

In addition to the general activities undertaken by all Members of the Agency, the Members may initiate specific projects or litigation that involves less than all Members. Such Projects shall be the subject of separate Project Agreements, and nonparticipating members shall have no obligation to participate in or fund these activities. No Member shall be required to be involved in a Project that involves less than all the Members.

 - b. Funds may also be derived through State and Federal grants, or other available sources. The Agency may also apply for available State and Federal funds and shall make new and additional applications from time to time as appropriate. The Agency may also establish and collect various fees, leases, or rents as may be authorized by law under the common powers of all the Parties.
 - c. The Agency may accept and expend funds from public or private sources subject to the legal restrictions, which are set forth in the common powers of the Parties for the purpose of carrying out its powers, duties, responsibilities, and obligations specified in this Agreement.
- 16.2 The Agency shall be limited to the making of expenditures or incurring of liabilities in the amount of the appropriations allowed by the budget as adopted and revised by the Agency.
- 16.3 The Agency shall attempt to maintain a contingency fund of approximately ten percent of the annual budget at all times.
- 16.4 No Member shall have an obligation to fund, and no Members contributions shall be directed toward, activities outside the authority of that participating Member. Specifically, no Member shall be required to fund the development of GSPs outside its respective groundwater basin; and no Member's contributions to the Agency shall be applied toward activities that do not directly benefit that Member.

Article 17. Liability and Indemnification

- 17.1 Liability. In accordance with California Government Code section 6508.1, the debts, liabilities, and obligations of the Agency shall be the debts, liabilities, and obligations of the Agency alone, and not the Members. To the extent authorized under California law, no Board Member, officer, or employee of the Agency shall be responsible for any action made, taken, or omitted, by any other Board Member, officer, or employee.

- 17.2 Indemnification. The members of the Governing Board, officers, and employees of the Authority shall use ordinary care and reasonable diligence in the exercise of their powers, and in the performance of their duties pursuant to this Agreement. They shall not be liable to the parties to this agreement for any mistake of judgement or any other action made, taken, or omitted by any agent, employee, or independent contractor selected with reasonable care, nor for loss incurred through the investment of the Agency's funds, or failure to invest the same.
- a. The funds of the Agency shall be used to defend, indemnify, and hold harmless the Agency and any Board Member, officer, or employee of the Agency for actions taken in good faith and within the scope of his or her authority.
 - b. Nothing herein shall limit the right of the Authority to purchase insurance or to create a self-insurance mechanism to provide coverage for the foregoing indemnity.

Article 18. Withdrawal and Termination

- 18.1 Withdrawal. A Member may unilaterally withdraw from this Agreement without causing or requiring termination of this Agreement, effective upon sixty (60) days written notice the remaining Members.
- 18.2 Effect of Withdrawal. Any Member who withdraws shall remain obligated to pay its share of all debts, liabilities, and obligations of the Agency incurred or accrued prior to the effective date of such withdrawal, other than debts, liabilities, and obligations incurred pursuant to any Project Agreement to which the withdrawing Member is not a participant.
- 18.3 Termination of Agency. This Agreement may be rescinded and the Agency terminated by unanimous written consent of all Members, except during the outstanding term of any Agency indebtedness. Nothing in this Agreement shall prevent the Members from entering into other joint exercise of power agreements.
- 18.4 Disposition of Agency Assets upon Termination.
- 18.4.1 Surplus Funds. Upon termination of this Agreement, any reserves or surplus money on-hand shall be returned to the Members in the same proportion said Members have funded such reserves or surplus, in accordance with California Government Code section 6512.
 - 18.4.2 Agency Property. The Agency shall first offer any assets of the Agency for sale to the Members on terms and conditions determined by the Governing Board. If no such sale to Members is consummated, the Board shall offer the assets of the Agency for sale to any non-member for good and adequate consideration on terms and conditions determined by the Governing Board.

- 19.3 Amendment. This Agreement may be amended at any time, by unanimous agreement of the Members, provided that before any amendments shall be operative or valid, it shall be reduced to writing and signed by all Members hereto.
- 19.4 Severability. If any provision of this Agreement is determined to be invalid or unenforceable, the remaining provisions will remain in force and unaffected to the fullest extent permitted by law and regulation.
- 19.5 Execution in Counterparts. The Parties intend to execute this Agreement in counterparts. It is the intent of the Parties to hold one (1) counterpart with single original signatures to evidence the Agreement and to thereafter forward other original counterparts to each Member on a rotating basis for all signatures. Thereafter, each Party shall be delivered an originally executed counterpart with all Party signatures.

IN WITNESS WHEREOF, the parties hereto execute this Agreement on the date first written above.
