

This map displays the Kern River Groundwater Storage Area (GSA) boundary, outlined in blue, covering a large portion of the Central Valley in California. The map includes major highways such as State Routes 99, 198, 204, 223, and 205. Key geographical features include the Kern River, Lake Ming, and the Kern Canyon. Major cities and towns shown are Shafter, Bakersfield, Lamont, and Arvin. The map also indicates the location of the Maricopa Flat and the Kern Lake Bed. A scale bar at the bottom left shows distances up to 6.5 miles, and a north arrow is provided for orientation. A legend at the bottom right identifies the blue outline as the 'Kern River GSA Boundary'.
