Dear Mr. Nordberg:

I am writing to inform you of Woodbridge Irrigation District's (WID's) intent to continue functioning as the Groundwater Sustainability Agency (GSA) per our original filing with DWR dated January 21, 2016. I regret that my January 15, 2019, letter to DWR purporting to withdraw from the GSA role was sent in error, as this was not expressly authorized by the Resolution adopted by our Board and referenced in the letter. Please disregard the aforementioned Jan 15, 2019, letter and consider this correspondence as an affirmation of WID's intent to serve as the exclusive GSA within its service area.

Sincerely,

A handwritten signature in blue ink, appearing to read "Anders Christensen".

Anders Christensen, Mgr./Sec./Treas
