**Notice of Intent to Adopt a Revised Groundwater Sustainability Plan
in the Modesto Subbasin**

Pursuant to California Water Code § 10728.4, the Sustainable Groundwater Management Act (SGMA) requires each groundwater sustainability agency (GSA) that intends to adopt or amend a Groundwater Sustainability Plan (GSP) to provide notice to any city or county within the area of the proposed GSP. The Stanislaus and Tuolumne Rivers Groundwater Basin Association GSA (STRGBA GSA) and the County of Tuolumne GSA, hereby provide notice on behalf of their members that the GSAs intend to adopt a revised GSP for the Modesto Subbasin no earlier than 90 days from the date of this notice.

The GSAs intend to hold public hearings to consider adoption of the revised GSP prior to July 16, 2024, but no earlier than 90 days from the date of this notice. The GSAs shall receive and consider comments from any city or county that receives this notice pursuant to California Water Code §10728.4 and consult with a city or county that requests consultation within 30 days of receipt of this notice. If you would like more information regarding the development of the amendments to the GSP, please contact Eric Thorburn for the STRGBA GSA or Sean Hembree for the County of Tuolumne GSA. Information regarding the amended GSP will also be added to the STRGBA GSA website at www.strgba.org as it becomes available.

Sincerely,

Eric Thorburn
