**NOTICE OF INTENT TO ADOPT A REVISED GROUNDWATER SUSTAINABILITY PLAN (GSP)**  
**TURLOCK SUBBASIN**

Dear County of Stanislaus:

The Sustainable Groundwater Management Act (SGMA) requires each groundwater sustainability agency (GSA) that intends to adopt a Groundwater Sustainability Plan (GSP) or revisions to a GSP to provide notice of such adoption to any city or county within the area of the proposed GSP (California Water Code §10728.4.) Pursuant to this requirement, the West Turlock Subbasin Groundwater Sustainability Agency (WTS GSA) and East Turlock Subbasin Groundwater Sustainability Agency (ETS GSA) hereby provide notice on behalf of their members that the GSAs intend to adopt a revised GSP no earlier than 90 days from the date of this notice.

The GSAs intend to hold public hearings to consider adoption of the revised GSP prior to July 16, 2024, but no earlier than 90 days from the date of this notice. The GSAs shall review and consider comments from any city or county that receives notice pursuant to California Water Code §10728.4 and consult with a city or county that requests consultation within 30 days of receipt of this notice. If you would like more information regarding the development of the revisions to the GSP, please contact Michael Cooke for the West Turlock GSA or Sarah Woolf for the East Turlock GSA using the contact information below. Information regarding the revised GSP will be included on the subbasin website at [turlockgroundwater.org](http://turlockgroundwater.org) as it becomes available.

Sincerely,

Michael Cooke
