Re: Notice of Intent to Adopt Olcese Groundwater Sustainability Plan

Dear Mr. Tandy and Ms. Oviatt,

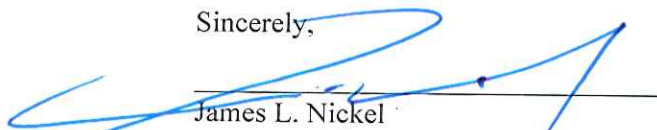

In accordance with California Water Code (CWC) §10728.4, the Olcese Groundwater Sustainability Agency (Olcese GSA), which was formed in 2016 by the Olcese Water District pursuant to CWC §10723(a), is hereby providing notice to the cities and counties within the geographic area covered by the Olcese Groundwater Sustainability Plan (Olcese GSP) that it intends to adopt the Olcese GSP no earlier than 90 days after your receipt of this notice. The Olcese GSP is expected to be adopted by the Olcese GSA Board following a public hearing in December 2019 and, once adopted, will be implemented within the Olcese GSA area in compliance with the Sustainable Groundwater Management Act (Part 2.74 of the CWC) and associated regulations.

The Olcese GSA will review and consider the comments on the Olcese GSP from the recipients of this notice and will consult with a city or county that requests consultation within 30 days of receipt of this notice.

The GSP can be downloaded at the following link: <https://olcesewaterdistrict.org/wp-content/uploads/2019/09/Olcese-GSP.pdf>

Please provide any comments you may have to the mailing address above, c/o Brian Grant, Secretary, Olcese Groundwater Sustainability Agency.

James L. Nickel
