Dear Mr. Joseph,

In accordance with California Water Code Section 10727.8, 353.6, the Chowchilla Water District Groundwater Sustainability Agency (CWDGSA) hereby gives notice that it will begin the development of a Groundwater Sustainability Plan (GSP) in cooperation with other Groundwater Sustainability Agencies (GSA) within the Chowchilla Subbasin.

The public may participate in the planning process of the CWDGSA by attending Chowchilla Water District's monthly meetings held the second Wednesday of the month beginning at 1:30 p.m. and special meetings as necessary. The meetings are held at the District Office which is located at 327 S. Chowchilla Blvd., Chowchilla, CA 93610. Additionally, information on SGMA and the GSP process will be available on the Chowchilla Water District website at www.cwdwater.com.

CWDGSA looks forward to working with DWR on the development and implementation of the GSP. Should you have any questions, please feel free to contact me at 559-665-3747.

Sincerely,

Douglas Welch
General Resources Manager
