RE: *Notice of Intent to Develop a Groundwater Sustainability Plan*

Dear Ms. Peisch-Derby:

Pursuant to California Water Code Section 10727.8 and California Code of Regulations Title 23, Section 353.6, Henry Miller Water District hereby gives notice to the California Department of Water Resources (DWR) that it will initiate development of a Groundwater Sustainability Plan (GSP) for the portion of the Kern County Subbasin (No. 5-22.14) within the boundaries of the Henry Miller Water District GSA notification.

Interested parties may participate in the planning and development of the GSP by attending the Henry Miller Water District quarterly board meetings, of which the next is scheduled for March 12, 2019 at 3:00 pm. The meetings are held at the law offices of McMurtrey, Hartsock & Worth located at 2001 22nd Street, Suite 100, Bakersfield, CA 93301. To be added to the distribution list, for more information, or questions, please contact Jeof Wyrick at jwyrick@jgboswell.com or 626-583-3000. Information about Henry Miller Water District can be found at <http://sgma.water.ca.gov/portal/gsa/all> and then searching for Henry Miller Water District.

Henry Miller Water District has engaged each city and county located within its geographic area and intends to jointly develop multiple GSPs pursuant to a coordination agreement, with each of the other GSAs that overlie the Kern County Subbasin.

Henry Miller Water District looks forward to working with DWR to develop and implement a GSP. Should DWR have any questions about this notice, please contact Jeof Wyrick by email at jwyrick@jgboswell.com or by phone at 626-583-3000.

Sincerely,

Jeof Wyrick
President
