Subject: Notice of Intent to Adopt the Central Kings Groundwater Sustainability Agency
Groundwater Sustainability Plan

The Central Kings Groundwater Sustainability Agency ("CKGSA") hereby provides notice to the Counties of Fresno, Kings and Tulare, and the City of Selma of the CKGSA's intent to adopt the CKGSA Groundwater Sustainability Plan ("GSP") no earlier than 90-days after your receipt of this notice. Considerations to adopt this document shall occur as part of a public hearing of the CKGSA on December 11, 2019. The CKGSA is accepting public comments until November 13, 2019.

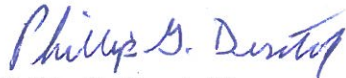

Once adopted, the CKGSA's GSP will govern sustainable groundwater management actions within the CKGSA's jurisdictional boundaries located in the Kings Subbasin (Groundwater Basin No. 5-22.08). California Water Code Section 10728.4, pursuant to passage of the Sustainable Groundwater Management Act of 2014, obligates distribution of this notice to any city or county whose jurisdictional area is within the area of the proposed GSP. The CKGSA is going above and beyond this requirement to provide you with this notice.

Cities or counties that receive this notice may request to consult on the CKGSA's GSP. These requests must be received within 30 calendar days upon receipt of this notice. Written requests to consult with the CKGSA intending to adopt the CKGSA's GSP shall be delivered to:
