Subject: Notice of Intent to Adopt the Kings River East Groundwater Sustainability
Agency Groundwater Sustainability Plan

Dear Groundwater Sustainability Plan Points of Contact:

The Kings River East Groundwater Sustainability Agency (“KREGSA”) hereby provides notice to the Counties of Fresno and Tulare, and the Cities of Dinuba, Reedley and Orange Cove of the KREGSA’s intent to adopt the KREGSA Groundwater Sustainability Plan (“GSP”) no earlier than 90-days after your receipt of this notice. Considerations to adopt this

document shall occur as part of a public hearing of the KREGSA on December 19, 2019. The KREGSA is accepting public comments until November 14, 2019.

Once adopted, the KREGSA's GSP will govern sustainable groundwater management actions within the KREGSA's jurisdictional boundaries located in the Kings Subbasin (Groundwater Basin No. 5-22.08). Pursuant to passage of the Sustainable Groundwater Management Act of 2014, California Water Code Section 10728.4 obligates distribution of this notice to any city or county whose jurisdictional area is within the area of the proposed GSP. The KREGSA is going above and beyond this requirement to provide you with this notice.

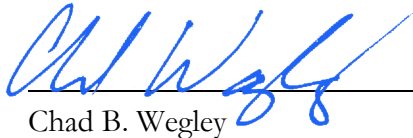

Cities or counties that receive this notice may request to consult on the KREGSA's GSP. These requests must be received within 30 calendar days upon receipt of this notice. Written requests to consult with the KREGSA intending to adopt the KREGSA's GSP shall be delivered to:

Kings River East GSA
c/o Chad Wegley
289 North L Street
Dinuba, CA 93618
Email: info@kingsrivereast.org
Telephone: (559) 305-1183

To review information about the public hearing or to download a copy of the Public Draft GSP, and to receive other information, visit www.kingsrivereast.org.

Sincerely,

Kings River East GSA

Chad B. Wegley
