

Yeats, R.S., and F.B. Grigsby, 1987, "Ventura Anticline Amphitheater Locality, California." In Geological Society of America Centennial Field Guide, Cordilleran Section, edited by M.L. Hill, 1987, pp. 213-219; map scale approximately 1:25,000

Yerkes, R.F., A.M. Sarna-Wojcicki, and K.R. Lajoie, 1987. "Geology and Quaternary deformation of the Ventura area." In *Recent Reverse Faulting in the Transverse Ranges, California*, US Geological Survey Professional Paper 1339, pp. 169-178, pl. 11.1, map scale 1:24,000

Weber, F.H. Jr., G.B. Cleveland, J.E. Kahle, E.F. Kiessling, R.V. Miller, M.F. Miller, and D.M. Morton, 1973, "Geology and mineral resources study of southern Ventura County, California", California Division of Mines and Geology, Preliminary Report 1, p. 102ff; pl. 3, map scale 1:48,000 (compiled)

ACKNOWLEDGMENTS

First Printing, 1988
Executive Committee: *Arthur O. Spaulding, President; William E. Kennett, Vice President; John R. Powell, Secretary; Theodore Off, Treasurer; Thomas W. Dibblee, Jr., Director; and Helmut E. Ehrenspeck, Editor*

Graphics: Final drafting and color rendition by Susan Kusumita

typography by Sharon Kuromiya, TenKi Design, Santa Barbara; map design, geologic color scheme and color process by H. E. Ehrenspeck; laser scanning and color separation by Santa Barbara Photoengraving; printing by Elmer Pickard Printer-Lithographer Inc., Santa Barbara

Second Edition, 2010

Dibblee Geological Foundation Advisory Committee: *John R. Powell*
Arthur R. Brown, Donald D. Clarke.

Editing and Production Management: John A. Minch
Graphics: Map computer drafting, preparation, and map design by Jason I. Minch, San Juan Capistrano; technical review assistance by Susan Bartz
printing by Santa Barbara Museum of Natural History

Contributors: The first edition of this map was published by the Dibblee Geological Foundation, a non-profit, California educational corporation dedicated to the geological sciences. The second revised edition was updated, digitized and published by the Santa Barbara Museum of Natural History. Publication has been made possible through the generous financial support of many individuals and organizations. Your support is encouraged and appreciated. Major contributors to the first edition are listed below:

AAPG Foundation 2010, Tulsa, OK
 American International Exploration & Production Co. 2010, Tulsa, Oklahoma
 American Association of Petroleum Geologists-Pacific Section
 Atlantic Richfield Foundation, Los Angeles, California
 Boyle Engineering Corporation, Ventura, California
 Buena Engineers, Inc., San Luis Obispo and Ventura, California
 Canonic Environmental, Fortie, Indiana
 Coast Geological Society, Ventura, California
 Willam Cotton & Associates, Los Gatos, California
 Exxon Corporation USA, Houston, Texas
 Theodore Off, Ventura, California
 Ojai Oil Company, Oxnard, California
 John R. Powell, Camarillo, California
 Norbenson Geotechnical, Inc., Westlake Village, California
 Staal, Gardner & Burns, Inc., Ventura, California
 UNOCAL Paleoseismography Section BBQ Crew, Ventura, California
