From: Sloughhouse Resource Conservation District Groundwater Sustainability Agency

Date: December 8, 2021

Subject: Adoption of the Cosumnes Subbasin Groundwater Sustainability Plan

To the Cosumnes Subbasin SGMA Working Group,

On December 8, 2021 at 1:00 pm, via Zoom due to Covid-19 safety regulations, the Sloughhouse Resource Conservation District Groundwater Sustainability Agency's Board of Directors held a public hearing on the South American Subbasin Groundwater Sustainability Plan. After hearing public comment, the Board passed a motion adopting the South American Subbasin Groundwater Sustainability Plan and intend to implement the elements of the Plan to achieve sustainability. The motion to adopt the Plan passed with four Directors (Garms, Washburn, Liebig, Silva) in favor and one Director (Schneider) abstained.
