Subject: Notification of Intent to Adopt Groundwater Sustainability Plans Under the Sustainable Groundwater Management Act

Members of the City Council:

This letter is to provide you with notice pursuant to California Water Code Section 10728.4 that the Fillmore and Piru Basins Groundwater Sustainability Agency (Agency) intends to adopt Groundwater Sustainability Plans for the Fillmore basin and the Piru basin following a public hearing, which will be held no sooner than December 1, 2021. Public review drafts of the two Groundwater Sustainability Plans are available for your review at <http://fpbgsa.org/>.

Water Code Section 10728.4 allows 30 days from the date you receive this notice to request consultation with the Agency about the groundwater sustainability plans.

If you have questions or need further information, please feel free to contact me at TonyE@unitedwater.org or 805.525.4431.

Respectfully,

A handwritten signature in blue ink, appearing to read "A. Emmert".

Anthony A. Emmert
