You are invited by the White Wolf Groundwater Sustainability Agency (GSA) to attend a public hearing on Tuesday, January 25th at 1:00 p.m. to consider adoption of a Groundwater Sustainability Plan (GSP) for the San Joaquin Valley Groundwater Basin - White Wolf Subbasin (DWR Basin No. 5-022.18). The GSP was prepared pursuant to the Sustainable Groundwater Management Act of 2014, and California Water Code Section 10728.4. The GSA provided a Notice of Intent to Adopt a GSP to the Kern County Planning and Natural Resources Department on September 17th, 2021. The public, agencies and other interested parties are invited to attend the public hearing and provide written or verbal comments. Comments received during the public hearing will be considered by the GSA for its determination to adopt the proposed GSP. More information (including downloadable copies of notices and the final GSP) can be found at <http://whitewolfgsa.org/>.
