County of Tehama  
Board of Supervisors  
727 Oak Street  
Red Bluff, CA 96080

### **Notice of Intent to Adopt Groundwater Sustainability Plan for Bowman Subbasin**

The Tehama County Flood Control and Water Conservation District, as the Groundwater Sustainability Agency for the portions of all subbasins located within Tehama County, has prepared a draft Groundwater Sustainability Plan (GSP) for the Bowman Subbasin required by the Sustainable Groundwater Management Act (SGMA).

Water Code Section **10728.4**. reads:

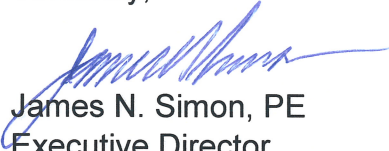

*A groundwater sustainability agency may adopt or amend a groundwater sustainability plan after a public hearing, held at least 90 days after providing notice to a city or county within the area of the proposed plan or amendment. The groundwater sustainability agency shall review and consider comments from any city or county that receives notice pursuant to this section and shall consult with a city or county that requests consultation within 30 days of receipt of the notice. Nothing in this section is intended to preclude an agency and a city or county from otherwise consulting or commenting regarding the adoption or amendment of a plan.*

**PLEASE TAKE NOTICE** that the Tehama County Flood Control and Water Conservation District Board of Directors will hold a public hearing on Monday, December 20, 2021 at 11:00 a.m. at the Tehama County Board of Supervisors Chambers, 727 Oak Street, Red Bluff, CA to consider adopting the GSP for the Bowman Subbasin.

Pursuant to SGMA, representatives of the Tehama County GSA are available to provide consultation with and receive comments on the GSP from your organization should consultation be requested. Comments may also be provided in writing to 9380 San Benito Avenue, Gerber, CA 96035. A public comment period for the GSP will open on September 10, 2021 and continue 45 days.

The GSP may be reviewed on the District website's Groundwater Sustainability Plans Page (<https://tehamacountywater.org/gsa/groundwater-sustainability-plans/>). Consultations may be arranged, or questions answered by contacting Nichole Bethurem at [nbethurem@tcpw.ca.gov](mailto:nbethurem@tcpw.ca.gov) or 530.385.1462 ext. 3045.

Sincerely,

A handwritten signature in blue ink, appearing to read "James N. Simon", is written over the printed name.

James N. Simon, PE  
Executive Director  
Tehama County Flood Control and  
Water Conservation District
