RE: Draft Pleasant Valley Subbasin Groundwater Sustainability Plan

Dear Sean Brewer:

Pursuant to the California Sustainable Groundwater Management Act (SGMA) of 2014, this letter provides notice to the City of Coalinga that the Pleasant Valley Groundwater Sustainability Agency (Pleasant Valley GSA) has released the Pleasant Valley Subbasin Groundwater Sustainability Plan (GSP) for a 90-day public review and comment period. A public hearing will be held at the conclusion of the 90-day public review and comment period, on Thursday, February 3, 2022, at 10 a.m. in the Harris Ranch Belmont Room, located at 24505 West Dorris Ave in Coalinga, California.

The Draft Pleasant Valley GSP can be downloaded from the Pleasant Valley GSA website at sgma.pleasantvalleywaterdistrict.com. Hard copies are also available upon request, or can be accessed at the City of Coalinga, County of Fresno, or Coalinga-Huron District Library in Coalinga.

Written comments can be submitted directly to the Pleasant Valley GSA before January 31, 2022. To submit written comments prior to the public hearing, please email them to info@sgma.pleasantvalleywaterdistrict.com or mail to Pleasant Valley GSA, PO Box 468, Coalinga, CA 93210. Oral and written comments will also be accepted at the Public Hearing.

The Pleasant Valley Subbasin GSP is a collaboration between the Pleasant Valley GSA, City of Coalinga GSA and Fresno County Pleasant Valley GSA to assess groundwater deficiencies within the Pleasant Valley Subbasin and identify solutions to sustain groundwater levels by 2042. Once the 90-day public review period has ended, the three GSAs will work together to consider the comments and finalize the GSP before adopting it in February 2022 and submitting it to the California Department of Water Resources by February 28, 2022.

If you or your staff have any questions or would like to discuss the Draft Pleasant Valley Subbasin GSP in-person, please contact Brian Ehlers, Project Manager at behlers@ppeng.com or (559) 449-2700.

Sincerely,

Brad Gleason, Board President
Pleasant Valley GSA
