Subject: Notice of Hearing for the Adoption of the Bear Valley Basin Groundwater Sustainability Plan

Dear Ms. Etter,

This letter is intended to provide the City of Big Bear Lake with notice of the Bear Valley Basin Groundwater Sustainability Agency's (BVBGSA) adoption of the Bear Valley Basin Groundwater Sustainability Plan (GSP) pursuant to California Water Code (CWC) section 10728.4. As required by the Sustainable Groundwater Management Act (SGMA) of 2014 (CWC § 10720 et seq.), the BVBGSA must provide notice to a city or county within the area of the proposed GSP at least 90-days prior to the holding of a public hearing to adopt the GSP (CWC § 10728.4). The BVBGSA is electing to notice all interested parties of the Bear Valley Basin GSP.

The BVBGSA will hold a public hearing to consider adoption of the Bear Valley Basin GSP on June 21, 2022, at a time to be determined, during a meeting of the BVBGSA, located at the City of Big Bear Lake, Department of Water and Power Boardroom, 41972 Garstin Drive, Big Bear Lake, CA 92315 and by Zoom.

In accordance with CWC §10728.4, your organization is eligible to request consultation with the BVBGSA in advance of the public hearing. If you wish to consult with the BVBGSA regarding the adoption of the GSP, please provide notice within 30 days of receipt of this letter. You may also submit comments on the GSP during the scheduled public comment period.
