

Mid-Kaweah Groundwater Sustainability Agency

March 14, 2022

Stephen Johnson – District Manager
California Water Service
216 North Valley Oaks Drive
Visalia, California 93292

Subject: Notice of Intent to Modify and Adopt GSP

Dear Mr. Johnson:

The Mid-Kaweah Groundwater Sustainability Agency (GSA) hereby provides notice to the California Water Service of its intent to modify and adopt the 2020 Mid-Kaweah GSA Groundwater Sustainability Plan (GSP or Plan) no earlier than 90 days upon your receipt of this notice. Considerations to adopt this document shall occur as part of a public hearing to be held on or before July 27, 2022. Once adopted, the Plan will govern sustainable groundwater management activities within the jurisdictional boundaries of the GSA for that portion of the Kaweah Subbasin (DWR Groundwater Basin No. 5-22.11). California Water Code §10728.4, pursuant to passage of the Sustainable Groundwater Management Act of 2014, obligates distribution of this notice to any city or county whose jurisdictional area lies within the area of the proposed Plan (see attached map of Mid-Kaweah GSA).

Entities that receive this notice may request to consult on the 2020 Mid-Kaweah GSA Groundwater Sustainability Plan. These requests must be received within 30 calendar days upon receipt of this notice. Written requests for consultation shall be delivered to the person and GSA office address identified below. Requests may also be E-mailed to akf@tulareid.org.

Sincerely,

Aaron Fukuda
Interim General Manager
