To Whom it May Concern:

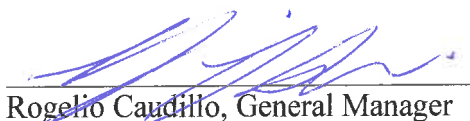

Pursuant to *Water Code* Section 10728.4, please take notice that the Eastern Tule Groundwater Sustainability Agency Joint Powers Authority (“**ETGSA**”) is currently under consultation with the Department of Water Resources regarding its submitted Groundwater Sustainability Plan (“**GSP**”). Based on this consultation, ETGSA expects it will present for board approval an amended GSP.

The amended GSP will be presented to ETGSA’s Board of Directors during the period beginning May 30, 2022 and ending July 27, 2022.

Please feel free to contact me with any questions you may have.

Thank you for your attention to this matter.

Sincerely,

Rogelio Caudillo, General Manager
